Grant Status Definitions

Subgrant Project Status

The following table identifies the various processes, statuses, and reasons that may be associated with projects within Egrants. There are many other status codes for the various work items associated with a project. The status table below only identifies the various states of the project in its entirety.

PROCESS	STATUS	REASON	DESCRIPTION
Application	Open	Draft	Application information data entry is in process
		Received	Application submitted to ICJI and awaiting review
		Under Review	Reviewers and scorers assigned.
		Questions	Outstanding issues have been identified preventing application from proceeding
		Ready For Commission	Staff analysis is completed on the application. Application is ready for presentation at the next Commission Meeting.
		Awarded	Commission approved the application
		Delegated	Application delegated to a sub committee by the Commission for final decision (Award/Deny)
		Tabled	Application was held by the Commission for consideration later.
		Returned	The Application was returned to the Applicant agency for required updates or additional information
	Closed	Administrative Rejection	Application was not awarded due to administrative reasons and not sent to the Commission.
		Disapproved	Commission does not accept the Application.
		Not Recommended	Competitive Application was reviewed and not sent to the Commission.
		Withdrawn	Applicant withdrew the request.
		Vacated	ICJI withdraws the award from the applicant.
